Wyoming	452	100	827	24	6	48

¹This category includes bouldering, as well as artificial climbing walls, buildings, and so forth. These are also added to the count of each state and province, but not to the total count, though that error has been made in previous years.

²The two fatalities occurred in Minnesota at Taylor's Falls, located in Interstate Park.

(Editor's Note: The Practice Cliffs category has been removed from the U.S. data.)
